Orex Mining Company FZCO is a dynamic player in the energy and mining sectors, located in the heart of Dubai's Jumeirah Lake Towers. Since our inception in 2014, we have been committed to providing high-quality petroleum products and mining solutions to clients around the globe.

Our Offerings:

We specialize in the supply of a diverse range of petroleum products, including:

- **Anhydrous Ammonia**
- **Raw Petroleum Coke**
- **Melamine**
- **Diesel Oil**
- **Aviation Fuel**
- **LPG**
- **Gasoline**
- **Methanol**
- **Naphtha**
- **Coal**
- **Fuel Oil**

Our strategic partnership with **Petronas**, one of the largest and most reputable refineries under the Malaysian government, underscores our commitment to quality and reliability. As a registered vendor of Petronas, we ensure that all our petroleum products meet the highest industry standards.

In addition to our petroleum offerings, Orex is actively involved in the mining of **Pyroxenite** and **Limestone**, supplying these essential materials to steel plants worldwide, including industry giants like Tata Steel. Our products play a vital role in the production of steel, contributing to the infrastructure and development of various sectors globally.

Awards and Recognition:

In 2022, Orex Mining Company was honored with the **Most Promising Partner Award**, a testament to our dedication to excellence and our commitment to fostering strong partnerships within the industry.
